5 v.

6 STACY BARRETT, *et al.*,

7 Defendants

8 The defendants' response to plaintiff S. Seanah Dixon's motion for emergency oral  
9 hearing (ECF No. 114) is due October 3, 2023. In the motion, Dixon asserts that one of the two  
10 medical appointments that the defendants previously represented had taken place did not actually  
11 occur and instead was cancelled. ECF No. 114 at 4. The defendants' forthcoming response must  
12 address this contention, including proof that Dixon saw a doctor at the second appointment as  
13 opposed to proof that she was scheduled to be transported or was transported on that date. That  
14 proof might include a doctor's report or records from the doctor's office confirming Dixon  
15 actually saw the doctor.
